

COMMITMENT AGREEMENT

All Members of the Tampa Barbarians RFC (administrators, coaches, players, parents) are expected to embrace the ethos of the club and to ascribe to its principles.

Coaches – are committed to provide each player with quality instruction and a positive rugby experience. They are expected to be fair, but firm, with all players. Coaches will be approachable to all players and parents, after games and/or practices to address any issue or concerns. Coaches will determine playing time based on skill, practice attendance, attitude, commitment to club activities (eg fund raising) and the needs of the team.

Players – Rugby involves high levels of teamwork, fitness, skill and commitment. As such, all players are expected to attend all practices and games. A player's level of commitment, including attending practice, is a significant factor in determining his playing time. We understand that occasionally there are scheduling conflicts. If this should occur then it is the players sole responsibility to notify the coaches well in advance if he will be late or unable to attend practice, game or other activity. Players are expected to display good sportsmanship and citizenship on and off the field. This means showing due respect to coaches, referees, club administrators, opposing players and staff and their teammates. They must also display a positive attitude, exhibit a willingness to learn and follow the direction of club officials.

Parents & Supporters – Are expected to conduct themselves to the same standards as we expect from the players. Parents are encouraged to communicate with the coaches should a problem or concern arise but please address them privately after the practice/game and not during. This is a club and includes all players, staff and parents. Your positive input into the club will help ensure it's success now and in the future. It is not your, but your players, responsibility to notify the coaches if they will be late or not attending a club event.

Discipline problems will not be tolerated by the Club and will be dealt with by the Club. TBRFC reserves the right to suspend or exclude a player from the Club depending on the severity of the disciplinary problem. (no refunds will be given). The coaches shall endeavor to be fair to all players, however, the amount of playing time a player gets is at the sole discretion of the coaching staff.
